OFFICE POLICIES

Please be advised of the following office information. While these policies may seem rather rigid it protects your child's privacy, maintains a quiet and safe therapy session, protects your child and the therapist from infectious diseases and keeps the schedule flowing smoothly which I have found facilitates optimum levels of progress. Failure to comply with office policies can result in a loss of a weekly session which will be notified in writing, with 30 days advanced notice.

1. **Payment: Payment is due weekly.** Third party payment from insurance is not accepted. Payment is accepted in cash or check. School contracts will be honored; however if schools do not pay in a timely fashion, services may be withheld, or the parents will be billed. You are given receipts. DUPLICATE COPIES and /or yearly statements are not available. Please copy your invoices before sending them to insurance. _ If you bounce a check, write the wrong date or amount a 30.00 fee will be charged at your next session.
2. **Scheduling:** Scheduling is done in advance. I unfortunately cannot re-arrange times for social /sport calendars or extracurricular activities, once you have committed to a weekly slot. If there is a serious issue, such as school scheduling, or other therapies, please notify me and I will try my best to honor your requests. I ask that if you are flexible, please consider moving your time to accommodate other patients when necessitated. Remember by committing to a weekly appointment, that another child that cannot receive therapy in that slot. If you want to hold a weekly slot you must be committed to that time and day. Summer scheduling is always different from Sept-June due to camp, vacations and alternate school schedules. Summer scheduling is done in March.
3. **Vacations and Holidays:** I do not have the same schedule as a school, so please do not assume that just because your school is closed that your child does not have speech therapy. Makeups and alternative scheduling is available for most holidays and vacations. Any client taking a vacation for more than 2 consecutive weeks must pay to hold their slot or the slot will be forfeited. In addition, if you observe religious holidays, it is expected that sessions be made up, with scheduling planned with 2-3 weeks advance notice. Failure to notify the office of a vacation will result in strict enforcement of the cancellation policy. I will

close for most major holidays, but not all federal holidays (ex. Columbus Day.) If you are in doubt please ask me directly.

4. Email/Texting: Most clients know that I have a Smart Phone; however, this is for both business emails and personal use. I do not use my phone for texting clients unless it is an emergency. I prefer that you schedule your appointments via email . Please do not text me for routine scheduling or questions, but rather if you will be late or have an emergency circumstance. I will only text patients for the same reasons. Please read emails you receive from the blind copy email system, especially when there is a schedule reminder. This helps avoid charges for missed sessions (item #5). The blind copy system allows me to post openings, make up times, scheduling alerts and office information. My schedule does not allow for personal texts and calls very often.

5. Cancellations :

- NON EMERGENCY: 48 HOURS NOTICE: This includes vacations, pre –planned doctor’s appointments, family events, parties, sports events, lack of baby sitter etc. This includes anything that is not designated by “emergency “(see below). The session must be canceled with 48 hour notice. If cancellations become excessive for non emergency purposes, then the client may lose his/her weekly slot in the therapy schedule. If the session is not canceled with 48 hours notice it will be billed at the full therapy rate and will not be made up. If your school pays for your sessions, this is not covered and the parent will have to pay the missed session fee. *Please be mindful that weekend hours start early in the morning, so I need to know a full 48 hours prior. Monday sessions require notice by the prior Friday.*
- EMERGENCY: CANCEL BY 10AM: Emergency cancellations are due to illness, death in the family, or illness of a family member living in the same household. These sessions must be canceled by 10am on the day of the therapy slot. If your child does not go to school, you should call first thing in the morning to report the illness. It is understood that on some occasions children are sent home late in the day. If this happens on occasion beyond the family’s control, you will not be billed. If your school pays for your sessions, this is not covered and the parent will have to pay the missed session fee. Please do not bring your child with a fever, strep, unidentified rash, diarrhea, vomiting or any highly contagious illness. In general if they are too sick for school they are too sick for therapy. Your child must be fever free for 24 hours. If your child appears ill you will be billed for that session, and sent home from therapy. In addition, please notify the therapist of any live virus vaccinations received that day.
- INCLEMENT WEATHER: CANCEL BY 10AM: When a storm is expected, or the roads are dangerous the office usually closes. It is understood that some clients may live far away, and while the office may not be closed, you may chose to stay home with your child. In this case you must follow the procedure for EMERGENCY cancellations, and call by 10am that day if you think

you would prefer not to travel, or you will be billed. This applies to snow, rain and thunderstorms.

- **OVERALL ATTENDANCE:** Since I hold sessions as your time slot, you are essentially promising to fulfill that slot. I take careful attendance. If you exceed a cancellation rate 15% or greater you will receive a written warning notice that your slot is in jeopardy, especially if you do not schedule/attend makeup sessions. This includes emergency, non-emergency and vacation cancellations.
6. **Reports:** A yearly fee of \$400 re-evaluation will be charged for yearly progress reports / Program Plan updates and /or annual reviews with goals and objectives. This report will then be reviewed 4x a year free of charge. Both schools and insurance companies have become demanding with the information they require from my office and I must bill for my time accordingly. Remember that *it is the parents' responsibility to check your coverage BEFORE you start therapy*. Any extra paperwork will be billed accordingly.
 7. **Phone Calls and Review of Record Fees:** I am welcome to questions and concerns regarding your child. However, like any medical office, this is why we schedule appointments. If you have questions that require a lengthy discussion you will need to set up an appointment time, or a 30 minute phone consult at the fee of \$50. I will also respond to emails however, for lengthy questions, we will need to set up a conference session or call. This is also true of review of records. If you want me to review your child's IEP for example, this must be done in a treatment session or I will bill by the hour for record review.
 8. **Waiting Room /Bathroom:** The waiting room is available for siblings/family members while your child is in session. Please refrain from eating/drinking, excessive conversations on your cell phone and loud play in the waiting area. The bathroom in the hallway is for all patients and families. When your child arrives for therapy please wash their hands each session. Please do not flush sanitary products in the toilet, and dispose of soiled diapers outside. In addition, please do not enter the clinician's *private office*. **Due to privacy issues, it is best that you arrive no more than 5-10 minutes before your child's session and exit as quickly as possible.** Please do not use objects to prop open the main door as this could set off the alarm.
 9. **Lateness:** It is very rare that I will be late for session. This is true because if clients are late they only receive therapy for the time slot they were assigned for. For example, if a client arrives at 3:45pm for a 3:30 session, we will still end at 4:15 etc. Please be on time for your session to assist in maximum progress gains. Also, to keep the office running smoothly *have your check ready before session, and be prepared to exit the therapy room on time*. I also ask that packing of therapy tools, disinfection of tools, receipts for services and so on should be conducted 5 minutes before the end of a session. This keeps the office on time.
 10. **The office is a NUT FREE Facility.**

11. Makeup slots: I offer makeup sessions, as it is in the child's best interest. Makeup slots are offered for inclement weather, illness and pre-arranged vacations/ holidays. Makeup sessions are not offered when there is a violation of the cancellation policy. For example, if you are charged for a no show, I will not reschedule that visit. **Makeups must be attempted for all holidays, vacations and cancellations for both the client and the therapist.** Each client attending weekly sessions, and the therapist, is entitled to 2 weeks' vacation a year without makeups. All other sessions will be charted and if makeups are not completed this is considered a violation of policies.

12. Observations and Homework: Daily carryover is essential to your child's progress, it is therefore critical that parents and caregivers observe therapy sessions, and make every effort to work with the child at home. Activities learned in session should be practiced 3-4x weekly for 20 minutes. If carryover is not performed, the office cannot be held responsible for progress levels, or lack thereof. Babysitters and ABA therapists are welcome to sessions if they will be doing the speech homework; however a disclaimer may be required as only licensed speech pathologist can charge for therapeutic services. Activities learned in the office of Robyn Merkel-Walsh are not to be transferred to any other child the teacher/ABA therapist/caregiver may encounter.

13. Parking: Only park in designated spots in the lot. Please do not take up 2 spots. Please do not block any cars or the driveway. Parking is also available on Bergen Blvd. and on Ridgefield Terrace.

14. Discontinuation of services: If you plan on discontinuing or decreasing services for any reason, ***you must give this office 4 weeks notice or you will be billed for the missed sessions.*** A discharge report will be prepared free of charge if you have been up to date with payments, and give this office ample notice.
